Dedicated to the Advancement and Preservation of Our Sport

Dear Parrish Highlanders,

The Cancer Ride held on September 6th went very well. We had a nice turnout of members and thanks to everyone's generosity Mark Schroeder and I were able to present a check for \$700.00 to the cancer wing of the hospital in Antigo. We hope to make this an annual affair. Thanks again to all the people who made this possible. From our meeting we rode to our shelter and had a lunch that was catered in from Wolff's Log Cabin in Rhinelander (one of our associate members) which everyone enjoyed. Terry Coplien, Northeast Regional WATVA Coordinator was also present for the event. From there we split into three groups and did some trail riding. The groups were headed by Joe Manago, Brian Rasmusson and Matt Matteson — Good job guys. We would also like to add a special thanks to Steph and Mark for organizing this event.

Left to right: Sister Dolores Demulling, Bud Bradford, Tom Bradley, Betsy Kommers and Sarah Olafson holding the chain from the "Ride to Lock up Cancer". Each key was inscribed with the donor and the person they donated either "in memory of" or "in honor of".

As we wind down our season, we will be doing our annual "Chili Dump" on our November meeting date. There will be no meeting, or at the best an informal one at the shelter at 12 noon. Bring your favorite Chili and your appetite. We can also do some trail riding after lunch if people are interested.

Speaking of the shelter, we have some much needed painting and sealing to do. We have such a beautiful building and should not let it fall into disrepair. We will discuss a work day at our October meeting.

I received a letter on September 18th from the Langlade County Highway Dept. that every year they review county highway K for ATV damage to the ditches. They stated that this year the damage is no better or no worse than last year but they are asking us to remind people to ride *on the blacktop - NOT the shoulders or in the ditch line*. Please do this or we could lose another route.

The fall colors are really intense this year so get out and enjoy the beautiful sights and remember...*ride smart and be careful.*

Bud Bradford,
President
