Dedicated to the Advancement and Preservation of Our Sport

Dear Parrish Highlanders,

It sure seems hard to believe that we are into August, but here we are. Next month we will have our cancer ride on the 6th. There's still time to submit the enclosed donation slip in the name of a loved one or friend. Please attend this function as it is for a good cause. Right after the meeting we will ride to the Shelter where the club will be providing a lunch before we embark on the trail ride. Bob Arnold has arranged for WATVA to be present with their trailer so be sure to check that out as well.

Also, September is the month for our fall tour in the U.P. of Michigan. Everyone is looking forward to that. The motel is full, but there may be rooms elsewhere — please contact Keith or Sheri Meyer at 920-584-1505 if you are interested in joining us and are looking for a room.

At our last meeting, we spoke of doing trail rides outside of our local trail system. These do not have to coincide with our meeting date. They would be led by anyone with knowledge of said trails such as Park Falls, Little Rice, Dunbar, Clark County or where ever. This way we would be able to enjoy other locations and experiences. You may contact me or any of the other officers if you wish to offer your services.

On the August ride, we rode our own trails and took a peek at the route around Enterprise Lake which was recently signed. It is all blacktop and very short. If you do ride it, remember to go **SLOW** as it goes past many cottages. We then ended up in Elcho at Dave's Pub and Grub or

Dave's Never Inn - I'm not sure what he is calling it this week, but I know he puts on one heck of a good meal. Be sure to stop in and grab a sandwich if you are going thru Elcho. Once again, thanks to all the members who show up at the meetings and partake in the rides — we have room for a lot more people, so try to make some of these. One more thing, there is a rumor that the gas pumps and store in Harrison may be open in a few weeks - lets hope so.

Serving food from 11 a.m. - 9:30 p.m.

Nutzee's, formerly known as the Hummingbird Inn was at one time Thielman's. Archie Thielman, Sr. had a little side line that made him a friend or rather a business associate of Al Capone. There is a very interesting article on the wall at Nutzee's that tells all about the "bootlegging" at Thielman's. All ATVers are welcome to stop by for food and refreshments (and check out the article!)

Protect Your Access!

We voted at the August meeting to join forces with the BlueRibbon Coalition, an organization that works hard at "Preserving our natural resources FOR the public instead of FROM the public." The BlueRibbon Coalition and their member groups, have been busy contributing volunteer labor and supporting state trail funding programs.

They've assembled the very best recreation advocacy team in the country. They are the only organization that combines the strength of dirt bike, ATV, PWC and 4 X 4 enthusiasts with a strong active contingent of equestrian and mountain bicycling members.

They led the effort to establish the federal "Recreational Trails Program." This national program provides over \$75 million a year to assist our land managers in providing a broad range of recreation opportunities.

The BlueRibbon Coalition represents all back country recreationists who are willing to work together and share our open spaces.

— *Their Mission:*—

- Secure, protect and expand shared outdoor recreation access and use
- Work collaboratively with land managers and other interest groups
- Educate the general public, media, elected officials and other decision makers on recreation and access issues
- Promote equitable and responsible land management
- Affect the political and administrative process

If you would like more information you can contact them at 1-800-258-3742 or on line at www.sharetrails.org

We also want to recognize all of our Associate members.

Please keep this list and patronize their businesses whenever possible.
